SECTION Med
FILE No. 1847
SERIAL No. 2

Sir,

In forwarding the enclosed copy of letter No.1782 dated 8-3-1913, from the District Medical Officer, Tumkur, to my address and in continuation of my No.G.471 dated the 8th instant, I have the honor to state that several Sub Assistant Surgeons recently entertained on what was considered liberal salary have resigned & left our Service and some more are contemplating to resign in the near future.

Paper under disposal in the enclosure

2. On making enquiries, I find there are several disadvantages and hardships in the subordinate branch of our Medical Service and until and unless these are obviated, I am led to believe that our Service in this useful department will always remain unattractive and undermanned.

3. I indicate hereunder a few of the hardships and disadvantages:-

Our State Service	Madras & other Services
1. No free house or house rent given	House rent of Rs.8/- or free quarters are given.
2. No Lock-up allowance	A lock-up allowance of Rs.10/-
3. No Plague allowance	A Plague allowance of Rs.30/-
4. Malarial Inspection, School Inspection & Vaccination are compulsory	No Malarial or School inspection; and Vaccination is done by Municipal Vaccinators.
5. Absolutely no private practice	Good practice of about Rs.50/- or more per mensem

2

4. To make our Service more attractive therefore I would recommend the grant of house rent in accordance with the scale indicated in my reference above quoted over and above increased salaries and a lock-up allowance of Rs.10/- per mensem in places where the local Sub Assistant Surgeon is the lock-up officer.

I have the honor to be,

Sir,

Your most obedient servant,

C. V. Anantakrishna

Senior Surgeon, Mysore Government.

Enclosed 184-12-3

3

No.1782 dated 8-5-13, from the District Medical and Sanitary Officer, Tumkur District, to the Senior Surgeon in Mysore, Bangalore.

In forwarding the enclosed docket No.1368 dated 4th February 1913, together with two enclosures, from the President, District Board, Tumkur, in regard to the levying of a maximum rent of 10% of the pay of the Sub Assistant Surgeons, on their Government quarters, and stating that the intention of Government in building these quarters for the Medical Subordinates was to levy a small rent and that Rs.3-8-0 would be fair both to Government and the Sub Assistant Surgeons, I have the honor to solicit the favor of your being pleased to move the Government in the matter of making these quarters rent free or of reducing the rent to a small sum.
